Itsy Bitsy Stories

(Online event)

Stories have the capability to pull you out of your reality and place you in an imaginary world from time to time. Short stories are the most creative form of fiction, yet depict the way we live. We aim to bring together a crusade of writers to create extremely short stories (English or Hindi) based on our theme Inspire.Innovate.Integrate.

If you think you are one who can bring a change with a just few words, then prove it! Participate in Itsy Bitsy stories. But keep in mind, the number of words are very few (less than or equal to 25)!

Rules:

1. All the entries should be sent to itsybitsystories.sankalp16@gmail.com.
2. The story either in Hindi or English should use at least one of the following words: Inspire.Innovate.Integrate
3. The word limit for the story is 25 words.
4. The Contestants should send the entry in an attached word document. The subject of the mail sent and the heading of the word document should be the word on which the story is based. Name of the file attached should be –

"Name of the Participant_CollegeName."

Example: atulkumar_IITRoorkee

5. One participant can send a maximum of 3 entries.
6. All the entries will be shared on the official Facebook page of Sankalp, IIT Roorkee. Any kind of plagiarism or any explicit content shall not be entertained and the participant will be disqualified.
7. The judgement will be made solely on the basis of the number of Facebook likes on your entry uploaded through the Facebook page, and this decision shall be final and binding. No further queries in this regard will be entertained.
