## TRADITIONAL WALK

‘Surprised? A fashion show in a social fest? ‘

We bring to you the excitement and dazzle of a fashion show mingled with a promise of a better society. Participants interested in walking individually on the ramp also are welcome. Although the themes to choose from remain the same. Break the traditional pattern and walk the ramp for a cause to sensitize one and all about our two themes:

1. Best out of waste
2. Cultural dress

Pick one for your team and dive into the depths of fashion to explore it.

### Rounds

- Round 1: This will be a closed room round where the teams will be screened for the finale.
- Round 2: Participants qualifying from Round 1 will be walking on-stage for the final round.

### Rules

- The team size should not exceed 12 members inclusive of the designer(s), choreographer(s), and make-up artist(s).
- Crossover teams can be formed between students of different colleges.
- The team has to ensure that the time duration for their presentation does not exceed 15 minutes.
- Teams are expected to ensure that their soundtrack/music to be used during their performance is provided to the event organizers at least 4 hours prior to the scheduled time of the event.
- The soundtrack/music is to be provided in CDs or pen-drives only.
- The decision of the Organizing Team shall be final and binding.
- After the registration you will receive an email or a handout briefing you about the entire event.
- *As mentioned above, Participants interested in walking individually on the ramp also are welcome. Although the themes to choose from remain the same.*
